

STATE OF CALIFORNIA
CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

STAFF SUMMARY REPORT (Bruce Wolfe)
MEETING DATE: November 18, 2009

ITEM: 15

SUBJECT: **Implementation of Federal Economic Recovery Legislation by the State Water Board** – Status Report by Barbara Evoy, Deputy Director

DISCUSSION: Barbara Evoy, State Board Deputy Director overseeing the Division of Financial Assistance, will update the Board and public on the State Board's administration of the "federal stimulus" funding that California has received for clean water projects in the past year. The State Board has awarded over \$560 million for 108 clean water projects since last spring in funds from the American Recovery and Reinvestment Act (\$249.5 million) and the ongoing State Revolving Fund (\$310.8 million). She will describe the changes the State Board has made to the State Revolving Fund to more readily disburse this funding, the focus of the funding, and how the funding has been applied in this region.
