

STATE OF CALIFORNIA
CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

STAFF SUMMARY REPORT (Robert Schlipf)
MEETING DATE: November 18, 2009

ITEM: 9

SUBJECT: City of Emeryville, Sanitary Sewer Collection System, Alameda County - Reissuance of NPDES Permit

CHRONOLOGY: March 2004 – Board reissues NPDES permit

DISCUSSION: The Revised Tentative Order (Appendix A) contains requirements identical to those in the Revised Tentative Order for Item 7, but has facility descriptions that are specific to Emeryville. Thus, the Staff Summary Report for Item 7 describes the background for Item 9.

Comments received on item 9 were part of the comments received for items 6 through 13 and are included with Item 7, as well as our response to those comments.

RECOMMEN-
DATION: Adoption of the Revised Tentative Order
