NOTICE OF CHANGED DATE FOR
PUBLIC HEARING
TO
CONSIDER REISSUANCE OF EAST BAY COLLECTION SYSTEM PERMITS
AND
AMENDMENT OF CEASE & DESIST ORDER

ALAMEDA AND CONTRA COSTA COUNTIES

This is a notice of a change in date for a public hearing during which the Water Board will consider tentative permits for the Cities of Alameda, Albany, Berkeley, Emeryville, Oakland, and Piedmont; and Stege Sanitary District (hereinafter collectively referred to as Dischargers). The tentative permits would prohibit the discharge of untreated or partially treated sewage from the Dischargers' respective sewage collection systems. The tentative permits would also prohibit the Dischargers from causing or contributing to discharges of partially treated wastewater from East Bay Municipal Utility District's (EBMUD) wet weather facilities. To ensure that a Cease & Desist Order from the Regional Water Board currently in effect on the Dischargers is consistent with this last prohibition, Regional Water Board staff has also prepared a tentative amendment to the Cease & Desist Order. The amendment would require that the City of Oakland shift its resources to projects that will reduce wet weather flows.

The hearing was previously noticed for September 9, 2009. It is now rescheduled as follows:

Time and Date: 9:00 a.m., November 18, 2009
Location: Auditorium, Elihu Harris State Building,
1515 Clay Street, Oakland

The deadline to submit any and all written comments and evidence to be offered at the hearing is **5 p.m. on October 20, 2009**. Other information in the previous public notice for this matter still applies.
