**NOTICE OF APPLICATION AND PUBLIC HEARING  
FOR  
DISCHARGE PERMIT**

**for  
Town of Yountville/California Veterans Home Joint Wastewater Reclamation Facility  
6550 Solano Avenue  
Yountville, Napa County**

The Town of Yountville has filed an application for reissuance of a permit under the National Pollutant Discharge Elimination System. The San Francisco Bay Regional Water Quality Control Board's (Regional Water Board's) staff has prepared a tentative permit for this discharger containing limitations and provisions in accordance with the Federal Clean Water Act and the California Porter-Cologne Water Quality Control Act. It has also prepared a tentative Cease and Desist Order because the discharger is not likely to comply with the limits in the tentative permit.

The Town of Yountville owns and operates a wastewater treatment plant at 6550 Solano Avenue in Yountville, CA. It discharges about 0.6 million gallons per day of treated domestic and commercial wastewater from its treatment facility into the Napa River.

The Regional Water Board intends to consider adopting the tentative permit and a tentative Cease and Desist Order during a meeting to commence at the time and location as follows:

Time and Date: 9:00 a.m., February 10, 2010  
Location: Auditorium, Elihu Harris State Building  
1515 Clay Street, Oakland
