

**CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD  
SAN FRANCISCO BAY REGION**

**TENTATIVE ORDER NO. R2-2010-XXXX  
NPDES NO. CA0038893**

**RESCISSION OF NPDES PERMIT FOR  
SEAFIRTH ESTATES COMPANY, INC  
SEAFIRTH ESTATES WASTEWATER TREATMENT PLANT  
TIBURON, MARIN COUNTY**

**WHEREAS** the California Regional Water Quality Control Board, San Francisco Bay Region (hereinafter the Regional Water Board) finds that:

1. NPDES Permit No. CA0038893, Order No. R2-2006-0082, permitted Seafirth Estates Company, Inc (hereinafter the Discharger) to discharge an average dry weather flow of up to 0.0075 million gallons per day of secondary-treated domestic wastewater from approximately 30 single family homes about three miles north of the town of Tiburon in Marin County. Treated wastewater has been discharged to Central San Francisco Bay, a water of the United States, through a submerged diffuser at 37° 54' 08" N. latitude, 122° 28' 08" W. longitude.
2. By letter dated October 5, 2009, the Discharger informed the Regional Water Board that its wastewater treatment plant had ceased operation, and all its sewage was being pumped to Sanitary District No. 5's Paradise Cove Treatment Plant for treatment and discharge. This was possible because the Discharger installed two pump stations in September 2009 to redirect wastewater flows.
3. Because the Discharger's treatment plant is no longer in commission, Order No. R2-2006-0082 is no longer necessary and can be rescinded.
4. The rescission of waste discharge requirements for this discharge is exempt from the provisions of Chapter 3 (commencing with Section 21000 of Division 13) of the Public Resources Code (CEQA) pursuant to section 13389 of the California Water Code

Public Notice

5. The Regional Water Board has notified the Discharger and interested agencies and persons of its intent to rescind the NPDES Permit, and has provided them with an opportunity for a public hearing and an opportunity to submit their written views and recommendations.
6. The Regional Water Board, in a public meeting, heard and considered all comments pertaining to the rescission of the NPDES Permit.

Seafirth Estates Company
