The Assistant Executive Officer of the San Francisco Bay Water Board (“Water Board”) has issued a Tentative Cease and Desist Order (Tentative Order) pursuant to California Water Code Section 13301. The Tentative Order, if adopted by the Water Board, would require that the City of San Bruno cease and desist discharging from its sanitary sewer collection system in violation of requirements in State Water Board Order No. 2006-003-DWQ, *Statewide General Waste Discharge Requirements for Sanitary Sewer Systems* (Sanitary Sewer Order) and State Water Board Order No. WQ-2008-0002-EXEC, *Adopting Amended Monitoring and Reporting Requirements for the Sanitary Sewer Order*. The Tentative Order also sets forth specific performance standards and requirements concerning the reduction and elimination of sanitary sewer overflows (SSOs), collection system operation and maintenance, collection system evaluation and capacity assurance, capital improvement and financial planning, training, and Sewer System Management Plan (SSMP) certification, and communication.

The Water Board intends to consider adopting the Tentative Order during a meeting to be determined. A notice will be given once the date is set.
