**Subject:** Sausal Creek fish kill

---

Dear Mr. Kifle,

I'm writing in support of Friend of Sausal Creek's efforts for EBMUD to do a Supplemental Environmental Project for the investigation of the fish kill that occurred in September 2010. It is important to get as much information as possible of this incident to support FOSC's efforts for restoration of this area.

Thank you,  
Laura Schatzkin
