

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

NOTICE OF PENDING ENFORCEMENT ACTION
CITY OF REDWOOD CITY

The California Regional Water Quality Control Board, San Francisco Bay Region (Water Board) Prosecution Team issued a Complaint for Administrative Civil Liability (ACL) on February 14, 2011. The Complaint alleges that the City of Redwood City (Discharger) is responsible for discharging 57,107 gallons of raw sewage from the Discharger's sanitary sewer collection system into Redwood Shores Lagoon on August 25, 2010, and proposes that the Discharger pay \$95,600.

The Complaint and related documents, including the procedure for Water Board hearings (with deadlines for submitting comments), are available at http://www.waterboards.ca.gov/sanfranciscobay/public_notices/pending_enforcement.shtml. The Prosecution Team may amend and re-notice its Complaint in response to comments from the Discharger or the public.

The Water Board will hold a hearing on May 11, 2011, to consider adoption of the ACL and/or referral of the matter to the Attorney General, unless the Discharger waives its right to a hearing within 90 days. The 90-day hearing requirement may be waived to pay the penalty as proposed, extend deadlines, or pursue settlement and/or a supplemental environmental project.
