REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

CLEANUP STAFF SUMMARY REPORT – Kent Ave
MEETING DATE: August 8, 2012

ITEM: 6

SUBJECT: **Robert W. Dittmer, Ann Lewczyk as Trustee of the Michael L. McInnis Revocable Trust, Jewel Hirsch doing business as Fairfield Cleaners, Obie Goins, and Ray Johnson, for the property located at 625 Jackson Street, Fairfield, Solano County – Adoption of Site Cleanup Requirements**

CHRONOLOGY: The Board has not considered this matter before

DISCUSSION: The site is located at 625 Jackson Street, near the intersection of Texas and Jackson Streets in downtown Fairfield. It is one of three sites in close proximity where solvent releases have polluted soil and groundwater. We are recommending that the Board consider all three site cleanup orders together.

Board staff has received a request from one of the named dischargers to continue this matter so they have an opportunity to comment on the Revised Tentative Orders. They allege there has been insufficient time for public comment on the revisions, which they view as substantial. We would prefer that the Board hearing focus on the substantive issues and not dwell on procedural issues. Therefore, we are continuing this item to a future Board meeting.

RECOMMEN- DATION: No action required.
