Subject: Santa Clara Valley Water District's Stream Maintenance Program Renewal – San Francisco Regional Water Quality Control Board's Tentative Order – Draft Response to Comments

Dear Ms. Camacho, Ms. Valiela, and Mr. Rohrbough:

The San Francisco Regional Water Quality Control Board (Water Board) would like to thank the agencies for providing comments on the Tentative Order (TO) for the Santa Clara Valley Water District's Stream Maintenance Program. Attached is a full set of the comments we received on the TO, and the Water Board's draft responses.

The draft responses to comments in the attached table indicate if the comment was accepted, if the comment was not accepted with an explanation for not accepting the comment, or an explanation to provide further clarification.

The Water Board, District, and multiple federal and State agencies will continue to coordinate to resolve any outstanding issues, which may result in additional revisions to the draft responses to comments and the TO.

JOHN MULLER, CHAIR | BRUCE H. WOLFE, EXECUTIVE OFFICER
