

California Regional Water Quality Control Board
San Francisco Bay Region
1515 Clay Street, Suite 1400, Oakland, CA 94612
(510) 622-2300

**NOTICE OF APPLICATION AND PUBLIC HEARING
FOR
DISCHARGE PERMIT**

**for
North San Mateo County Sanitation District
153 Lake Merced Boulevard, Daly City, San Mateo County**

The North San Mateo County Sanitation District has filed an application for reissuance of its permit under the National Pollutant Discharge Elimination System. San Francisco Bay Regional Water Quality Control Board staff has prepared a tentative permit containing limitations and provisions in accordance with the Federal Clean Water Act and the California Porter-Cologne Water Quality Control Act.

The District owns and operates a wastewater treatment plant and collection system, serving Daly City, portions of San Mateo County, Colma, the San Francisco County Jail, and the Westborough Water District within the City of South San Francisco. The Plant discharges an annual average flow of 7.2 million gallons per day (mgd) of treated wastewater 2500 feet offshore to the Pacific Ocean.

The Board intends to consider adopting the tentative permit during a meeting to commence at the time and location as follows:

Time and Date: 9:00 a.m., February 8, 2012
Location: Auditorium, Elihu Harris State Building
1515 Clay Street, Oakland

The deadline for comment is 5:00 p.m. on January 5, 2012. Comments must be sent to the attention of Tong Yin. Persons wishing to file written comments on or objections to the tentative permit or other aspects of this matter must do so no later than this deadline so that such comments may be considered. No written comments will be accepted or responded to in writing if received after that deadline.

Interested persons are invited to attend and express their views at the public hearing on this matter. The Board will hear oral testimony, but will not accept written comments after the deadline noted above.

Pursuant to section 2050(c) of Title 23 of the California Code of Regulations, any party that challenges the Board's action on this matter through a petition to the State Water Resources Control Board under Water Code section 13320 will be limited to raising only those substantive issues or objections that were raised at the public hearing or in timely submitted written correspondence.

The application, tentative permit, comments received, and related documents may be inspected and copied at Board office. The tentative permit and additional information and developments on this matter are also available at www.waterboards.ca.gov/sanfranciscobay. A response to comments will be posted on that website one week prior to the hearing. Contact Tong Yin at (510) 622-2418 or by e-mail at TYin@waterboards.ca.gov, if you have any questions on this matter.
