

EDMUND G. BROWN JR.
GOVERNOR

MATTHEW ROBINSON
SECRETARY FOR
ENVIRONMENTAL PROTECTION

San Francisco Bay Regional Water Quality Control Board

September 11, 2012
CIWQS Place ID: 255284(LW)

Subject: Tentative Order to Amend Site Cleanup Requirements for Phillips 66 San Francisco Refinery, located in Rodeo, Contra Costa County

Enclosed for your review is a Tentative Order that will amend Site Cleanup Requirements Order No. R2-2006-0065 for the San Francisco Refinery in Rodeo. This amendment adds Phillips 66 as a discharger on the Order.

Comments on the Tentative Order must be submitted in writing to this office by **October 18, 2012**. Comments received after this date may not be considered. Unless contested, the item is not scheduled for a hearing by the Water Board. The amendment will be recorded by Executive Officer signature and Finding 5 will be deleted from the amendment. Direct questions to me at (510) 622-2363 or by email at LWhalin@waterboards.ca.gov.

Sincerely,

Lindsay Whalin, MS, PG
Engineering Geologist
Groundwater Protection
