**NOTICE OF APPLICATION, OPPORTUNITY TO COMMENT, AND PUBLIC HEARING
FOR
DISCHARGE PERMIT**

**Browning-Ferris Industries, Inc., Corinda Los Trancos (Ox Mountain) Landfill
12310 San Mateo Road, Half Moon Bay, San Mateo County**

The above discharger has filed an application for reissuance of a permit under the National Pollutant Discharge Elimination System. The Board's staff has prepared a tentative permit for this discharger in accordance with the Federal Clean Water Act and the California Porter-Cologne Water Quality Control Act.

Corinda Los Trancos Landfill is a Class III municipal refuse disposal site. The tentative permit addresses naturally-occurring groundwater that contains pollutants as a result of infiltration into the landfill or contact with the landfill liner system. To manage this groundwater, BFI operates a groundwater extraction and treatment system. Treated groundwater is discharged to Corinda Los Trancos Creek, a tributary to Pilarcitos Creek.

The deadline for receipt of comment on the tentative permit is 5:00 p.m. on March 25, 2013.

Comments must be sent to the **attention of John H. Madigan**. Persons wishing to file written comments on or objections to the tentative permit or other aspects of this matter must do so no later than this deadline so that such comments may be considered.

The Board intends to consider adopting the tentative permit during a meeting to commence at 9:00 a.m. on **May 8, 2013**, in the Auditorium of the Elihu Harris State Building at 1515 Clay Street in Oakland. Interested persons are invited to attend and express their views at the public hearing.

Pursuant to section 2050(c) of Title 23 of the California Code of Regulations, any party that challenges the Board's action on this matter through a petition to the State Water Resources Control Board under Water Code section 13320 will be limited to raising only those substantive issues or objections that were raised before the Board at the public hearing or in timely submitted written correspondence.

All documents related to the tentative permit may be inspected and copied at the Board office. The tentative permit, fact sheet, and any additional information and developments on this matter are also available at www.waterboards.ca.gov/sanfranciscobay.
