

**STATE OF CALIFORNIA
REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION**

**STAFF SUMMARY REPORT (Lila Tang)
MEETING DATE: February 13, 2013**

ITEM: 6A

SUBJECT: City of Pacifica, Wastewater Collection System, Pacifica, San Mateo County – Amendment of Cease and Desist Order

CHRONOLOGY: May 2011 – Cease and Desist Order adopted

DISCUSSION: The attached Revised Tentative Order (Appendix A) would amend the Board's Cease and Desist Order that required the City to complete specific improvements to its wastewater collection system to eliminate sewage overflows. The Cease and Desist Order also required the City to assess the condition of its entire system to identify improvements needed.

New information suggests that condition assessment methodologies different than what was required in the Cease and Desist Order would be more appropriate for the City's Sharp Park and Linda Mar force mains. The amendment would require the City to use these different methodologies and would allow the City an additional nine months to complete these assessments.

We received no comments on a tentative order distributed for review but have made minor editorial and format edits that are reflected in the Revised Tentative Order.

**RECOMMEN-
DATION:** Adoption of the Revised Tentative Order
