***Background***

The Assistant Executive Officer of the San Francisco Bay Regional Water Quality Control Board (Regional Water Board) has issued an Administrative Civil Liability Complaint (Complaint) pursuant to California Water Code (Water Code) section 13323 against The Hertz Corporation (Discharger) alleging that it has violated Water Code section 13350 subdivision (a)(3) by discharging gasoline to soil and groundwater at its Rent-A-Car facility located at 8000 Earhart Road in Oakland, Alameda County. The Assistant Executive Officer has proposed imposition of civil liability in the amount of \$18,800, as authorized by Water Code section(s) 13385, subdivision (c)(1), and 13323.

***Purpose of Hearing***

The purpose of the hearing is to consider relevant evidence and testimony regarding the Complaint. At the hearing, the Regional Water Board will consider whether to issue an administrative civil liability (ACL) order assessing the liability proposed in the Complaint, or a higher or lower amount, reject the proposed liability, or refer the matter to the Attorney General for judicial enforcement. An agenda for the Regional Water Board meeting where the hearing will be held will be issued at least ten days before the meeting and posted on the Regional Water Board's web site (<http://www.waterboards.ca.gov/sanfranciscobay/>).

***Hearing Procedure***

The hearing will be conducted in accordance with this Hearing Procedure. This Hearing Procedure has been pre-approved by the Regional Water Board Advisory Team in model format. A copy of the general procedures governing adjudicatory hearings before the Regional Water Board may be found at Title 23 of the California Code of Regulations (CCR), Section 648 et seq., and is available at <http://www.waterboards.ca.gov> or upon request. In accordance with Section 648, subdivision (d), any procedure not provided by this Hearing Procedure is deemed waived. Except as provided in Section 648 and herein, subdivision (b), Chapter 5 of the

Administrative Procedures Act (commencing with Section 11500 of the Government Code) does not apply to the hearing.

The procedures and deadlines herein may be amended by the Advisory Team at its discretion. **Any objections to this Hearing Procedure must be received by the Yuri Won by August 26, 2013 or they will be waived.**

Any members of the Advisory Team who normally supervise any members of the Prosecution Team are not acting as their supervisors in this proceeding, and vice versa. Members of the Prosecution Team may have acted as advisors to the Regional Water Board in other, unrelated matters, but they are not advising the Regional Water Board in this proceeding. Members of the Prosecution Team have not had any ex parte communications with the members of the Regional Water Board or the Advisory Team regarding this proceeding.

***Ex Parte Communications***

The designated parties and interested persons are forbidden from engaging in ex parte communications regarding this matter with members of the Advisory Team or members of the Regional Water Board. An ex parte contact is any written or verbal communication pertaining to the investigation, preparation or prosecution of the Complaint between a member of a designated party or interested person on the one hand, and a Regional Water Board member or an Advisory Team member on the other hand, unless the communication is copied to all other designated parties (if written) or made in a manner open to all other designated parties (if verbal). Communications regarding non-controversial procedural matters are not ex parte contacts and are not restricted. Communications among one or more designated parties and interested persons themselves are not ex parte contacts.

### ***Hearing Time Limits***

To ensure that all participants have an opportunity to participate in the hearing, the following time limits shall apply: each designated party shall have a combined 30 minutes to present evidence, cross-examine witnesses (if warranted), and provide a closing statement; and each interested person shall have three minutes to present a non-evidentiary policy statement. Participants with similar interests or comments are requested to make joint presentations, and participants are requested to avoid redundant comments. Participants who would like additional time must submit their request to the Advisory Team so that it is received no later than October 24, 2013, by 5 p.m. Additional time may be provided at the discretion of the Advisory Team (prior to the hearing) or the Regional Water Board Chair (at the hearing) upon a showing that additional time is necessary.

### ***Submission of Evidence and Policy Statements***

The following information must be submitted in advance of the hearing:

1. All evidence (other than witness testimony to be presented orally at the hearing) that the designated party would like the Regional Water Board to consider. Evidence and exhibits already in the public files of the Regional Water Board may be submitted by reference as long as the exhibits and their location are clearly identified in accordance with Title 23, CCR, section 648.3.
2. All legal and technical arguments or analysis.
3. The name of designated party members, title and/or role, and contact information (email addresses, addresses, and phone numbers).
4. The name of each witness, if any, whom the designated party intends to call at the hearing, the subject of each witness' proposed testimony, and the qualifications of each expert witness.
5. (Discharger only) If the Discharger intends to argue an inability to pay the civil liability proposed in the Complaint (or an increased or decreased amount as may be imposed by the Regional Water Board), the Discharger should submit supporting evidence as set forth in the "ACL Fact Sheet" under "Factors that must be considered by the Board."

The Prosecution Team shall submit one hard copy and one electronic copy of the above information not already included in or with the Complaint to the Yuri Won and other designated parties no later than October 4, 2013, by 5 p.m.

The remaining designated parties shall submit one hard copy and one electronic copy of the above information to the Yuri Won and other designated parties no later than October 14, 2013, by 5 p.m.

Any designated party that would like to submit information that rebuts the information previously submitted by other designated parties shall submit one hard copy and one electronic copy to the Yuri Won and the other designated parties no later than October 24, 2013, by 5 p.m. Rebuttal information shall be limited to the scope of the information previously submitted by the other designated parties. Rebuttal information that is not responsive to information previously submitted by other designated parties may be excluded.

Interested persons who would like to submit written non-evidentiary policy statements are encouraged to submit them to the Advisory Team to Yuri Won and each designated party no later than September 16, 2013 by 5 p.m. Interested persons do not need to submit written non-evidentiary policy statements in order to speak at the hearing.

For all submissions, the Advisory Team may require additional hard copies for those submittals that are either lengthy or difficult and expensive to reproduce.

In accordance with Title 23, CCR, Section 648.4, the Regional Water Board endeavors to avoid surprise testimony or evidence. Absent a showing of good cause and lack of prejudice to the parties, the Regional Water Board may exclude evidence and testimony that is not submitted in accordance with this Hearing Procedure. Excluded evidence and testimony will not be considered by the Regional Water Board and will not be included in the administrative record for this proceeding. PowerPoint and other visual presentations may be used at the hearing, but their content may not exceed the scope of other submitted written material. A copy of such material intended to be presented at the hearing must be submitted to the Advisory Team at or before the hearing for inclusion in the administrative record. Additionally, any witness who has submitted written testimony for the hearing shall appear at the hearing and affirm that the written testimony is true and correct, and shall be available for cross-examination.

### ***Request for Pre-hearing Conference***

A designated party may request that a pre-hearing conference be held before the hearing in accordance with Water Code section 13228.15. Requests must contain a description of the issues proposed to be discussed during that conference, and must be submitted to the Advisory Team, with a copy to all other designated parties, as early as practicable.

### ***Evidentiary Objections***

Any designated party objecting to written evidence or exhibits submitted by another designated party must submit a written objection to the Yuri Won and all other designated parties no later than October 24, 2013, by 5 p.m. The Advisory Team will notify the parties about further action to be taken on such objections and when that action will be taken.

### ***Evidentiary Documents and File***

The Complaint and related evidentiary documents are on file and may be inspected or copied at the Regional Water Board's office. This file shall be considered part of the official administrative record for this hearing. Other submittals received for this proceeding will be added to this file and will become a part of the administrative record absent a contrary ruling by the Regional Water Board Chair. Many of these documents are also posted on the Regional Water Board's web site. Although the web page is updated regularly, to assure access to the latest information, you may contact Habte Kifle.
