***REVISED***

**NOTICE OF OPPORTUNITY TO COMMENT AND PUBLIC HEARING**

**WASTE DISCHARGE REQUIREMENTS FOR  
Santa Clara Valley Water District and U.S. Army Corps of Engineers  
Upper Berryessa Creek Flood Risk Management Project, Santa Clara County**

The San Francisco Bay Regional Water Quality Control Board (Regional Water Board) staff has prepared a Tentative Order for waste discharge requirements for the Santa Clara Valley Water District and U.S. Army Corps of Engineers to implement the Upper Berryessa Creek Flood Risk Management Project (Project). The Tentative Order authorizes implementation of the Project to increase flood protection in the surrounding community and contains prohibitions and provisions in accordance with the California Porter-Cologne Water Quality Control Act.

The Regional Water Board intends to consider adopting the Tentative Order during a meeting to commence at the time and location as follows (postponed from the previous date of October 12):

Time and Date:           **9:00 a.m., November 9, 2016**  
Location:                 Auditorium, Elihu Harris State Building  
                                  1515 Clay Street, Oakland

The deadline for submitting written comments on the Tentative Order was on September 19, 2016.

**Interested persons are invited to attend and express their views at the public hearing on this matter.**

Pursuant to section 2050(c) of Title 23 of the California Code of Regulations, any party that challenges the Water Board's action on this matter through a petition to the State Water Resources Control Board under Water Code section 13320 will be limited to raising only those substantive issues or objections that were raised before the Regional Water Board at the public hearing or in timely submitted written correspondence delivered to the Regional Water Board.

The Tentative Order, comments received, and related documents may be inspected and copied at the Regional Water Board office. The Tentative Order and any additional information and developments on this matter are also available at [www.waterboards.ca.gov/sanfranciscobay](http://www.waterboards.ca.gov/sanfranciscobay). A response to comments will be posted on that website one week prior to the hearing.
