

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD  
SAN FRANCISCO BAY REGION

NOTICE OF PENDING ENFORCEMENT ACTION  
in the matter of  
SEWER AUTHORITY MID-COASTSIDE  
SAN MATEO COUNTY

The California Regional Water Quality Control Board, San Francisco Bay Region (Water Board) Prosecution Team issued a Complaint for Administrative Civil Liability (ACL) on August 21, 2017. The Complaint alleges that Sewer Authority Mid-Coastside (Discharger) had an unauthorized discharge totaling about 344,000 gallons of untreated sewage to waters of the United States, and proposes \$522,700 in liabilities.

The Complaint and related documents, including the procedure for Water Board hearings (with deadlines for submitting documents), are available at [http://www.waterboards.ca.gov/sanfranciscobay/public\\_notices/pending\\_enforcement.shtml](http://www.waterboards.ca.gov/sanfranciscobay/public_notices/pending_enforcement.shtml). The Prosecution Team may amend and re-notice its Complaint in response to comments from the Discharger or the public.

The Water Board will hold a hearing on November 8, 2017, to consider adoption of the ACL and/or referral of the matter to the Attorney General, unless the Discharger waives its right to a hearing within 90 days. The 90-day hearing requirement may be waived to pay the penalty as proposed, extend deadlines, or pursue settlement and/or a supplemental environmental project.
