Subject: Wholesaler Supply Information - SFPUC

Dear Ms. Frevert,

It has been brought to my attention that we were supposed to send you the link to our supply self-certification by June 15th. I apologize; for some reason I didn't realize that it needed to be sent to the State Board as well as our Wholesale Customers. (I thought you would be getting the data through the individual retailer submissions on the 22nd.) We sent our analysis to our Wholesale Customers on June 9th, and also uploaded the information to our website. Again, I'm very sorry for the tardiness of this submission to the State Board. Here is the information you require:
