

B-10M Alternative

Key
<p>a: Modeled Volume Changes with Project (acre-ft/yr)</p> <p>b: Cumulative Volume Changes with Project (acre-ft/yr)</p> <p>c: Observed Average Stormwater Volumes (acre-ft/yr)</p> <p>* Volumes estimated by scaling modeling results from other planning areas.</p> <p>** Not modeled for this alternative; used results for previously modeled alternative (see Appendix D)</p> <p>*** Not modeled for this alternative: used results for the previously modeled alternative (see Appendix E)</p>
