
State Water Resources Control Board

NOTICE OF PROPOSED SETTLEMENT WITH COUNTY OF SAN BERNARDINO CHINO AIRPORT

FOR ALLEGED VIOLATIONS ASSOCIATED WITH WASTEWATER TREATMENT FACILITY OPERATIONS

WRITTEN COMMENTS DUE NO LATER THAN
12:00 Noon, February 6, 2014

On or after February 7, 2014, the State Water Resources Control Board, (State Water Board) or its delegate will consider approval of a proposed settlement with the County of San Bernardino to resolve an alleged violation associated with the Chino Airport's wastewater collection system. Specifically, the alleged violation involves failing to update and maintain the California Integrated Water Quality System on-line database.

The County of San Bernardino and the Prosecution Team have entered into a tentative settlement for this alleged violation, and have agreed to jointly seek the State Water Board's approval of that settlement through the adoption of a Stipulated Administrative Civil Liability Order. The proposed Order is available on the State Water Board's website at: http://www.swrcb.ca.gov/water_issues/programs/enforcement/orders_actions.shtml.

Persons may comment on the proposed settlement by submitting written comments no later than **12:00 noon on February 6, 2014**. Written comments should include "County of San Bernardino; Proposed Stipulated Order" in the subject line, and should be submitted to the attention of Ms. Laura Drabandt, State Water Resources Control Board, Office of Enforcement, P.O. Box 100, Sacramento, CA, 95812, or by email at laura.drabandt@waterboards.ca.gov. If the State Water Board or its delegate does not adopt the proposed Order, the matter may be scheduled for an evidentiary hearing at a subsequent State Water Board meeting. Please check the State Water Board's website for any updates on this matter.
