NOTICE OF OPPORTUNITY TO COMMENT AND NOTICE OF PUBLIC WORKSHOP

PROPOSED ADOPTION OF THE STATE FISCAL YEAR (SFY) 2019-20 (FEDERAL FISCAL YEAR (FFY) 2019) INTENDED USE PLAN (IUP) FOR THE DRINKING WATER STATE REVOLVING FUND (DWSRF) AND REVISED GUIDELINES FOR PROPOSITION 1 AND PROPOSITION 68

NOTICE IS HEREBY GIVEN that the State Water Resources Control Board (State Water Board) will consider adopting the IUP for the DWSRF program and revised guidelines for the implementation of Proposition 1 and Proposition 68 as early as the Tuesday, June 18, 2018 Board Meeting.

NOTICE IS ALSO HEREBY GIVEN that the Division of Financial Assistance (DFA) will hold a public workshop at the Regional Board office and via Web broadcast. The purpose of the workshop/Webcast will be to provide an overview of the DWSRF IUP and to receive public input regarding the draft IUP.

BACKGROUND

The DWSRF program provides low-cost financing to public water systems statewide to address drinking water quality and capacity issues. It also subsidizes a portion of California's public water system supervision program under the Division of Drinking Water.

The Prop 1 and Prop 68 Drinking Water programs provide funding for public water system infrastructure improvements and related actions to meet safe drinking water standards, to ensure affordable drinking water, or both. Prop 1 and Prop 68 Drinking Water funds will be administered consistent with the DWSRF IUP and the DWSRF Policy to the extent allowed by federal regulations and state law.

The DWSRF IUP outlines the State Water Board's business plan for the DWSRF program as well as the Prop 1 and Prop 68 Drinking Water programs during SFY 2019-20. It identifies the available funding, the projects the State Water Board anticipates financing, the associated financing terms, and the measures that will be used to track the DWSRF as well as the Prop 1 and Prop 68 Drinking Water programs' performance.

The DWSRF IUP is required by federal statutes and regulations and will be included in the application submitted to the United States Environmental Protection Agency (U.S. EPA) for the FFY 2019 DWSRF Capitalization Grant. The DWSRF IUP also serves as guidelines for the implementation of the Prop 1 and Prop 68 Drinking Water funds in accordance with applicable State statutes.
