Subject: Policy for Implementing The Clean Water State Revolving Fund For Construction of Wastewater Treatment Facilities

Dear Sir/Madame:

We have reviewed the Notice of Proposed Amendment to the subject policy dated February 23, 2009.

Our comments are as follows:

Appendix A, CWSRF PROGRAM FLOW CHART

Under Prepare and Submit Application, suggest including a task for Funding Application.

Under Submit AOA Request, suggest including a task for DE paperwork.

Under Amend Financing Agreement, suggest "Amend and execute" and adding Issue AOA.

General on Financing

If we understand correctly, for non-Disadvantaged Communities, this program is solely a loan program. The policy speaks exclusively to grant funding for Disadvantaged Communities (DACs) as far as we could see. Suggest language to clarify this.

Thank you for the opportunity to review the proposed amendments.
