

Division of Financial Assistance Statewide and Regional SAFER Programs

Description
<p>This spreadsheet provides information on regional and state-wide projects the Water Boards is funding in partnership with community organizations and local governments. Information includes project purpose, funding amount and uses, progress, and contact info for Water Boards staff and partnering organizations' staff.</p>
How to Navigate This Spreadsheet
<p>Each column of the "All Projects " page covers a different topic (such as who the project services, what the project area is, who is the funding recipient, what is the total funding amount for this project, etc.); each row covers a different project. If you have questions about a specific project, please contact the person(s) listed in the "Water Boards Project Manager" or "Contact/Application Information" columns.</p> <p>This document is sorted by who the project serves (Child Care Centers, Disadvantaged Communities, Households, and Schools).</p>
Date
<p>This spreadsheet was updated in July 2023 and is updated quarterly.</p>
Contact Information
<p>If any questions regarding this list of SAFER Programs arise, please contact Kyle.Harper@Waterboards.ca.gov</p>

Division of Financial Assistance Statewide and Regional SAFER Programs

Project/Program Title	Project Type	Who Project Services	Where Project Services	Funding Recipient	Funding Source	Total Funding Amount	Estimated Funds Remaining	Project Description	Has project been implemented?	Project Status	Water Boards Project Manager	Contact/Application Information	Contract Number
Projects that Service Child Care Centers													
Lead Testing and Remediation in Drinking Water at California Child Care Centers	Lead testing and faucet replacement	Child Care Centers	Statewide	University Enterprises, Inc.	SB 862 - Provision 4	\$ 4,900,000.00	\$ -	This funding provides technical assistance to California Licensed Child Care Centers for the collection and analysis of drinking water samples for lead at approximately 1,000-1,500 Licensed Child Care Centers, and for the remediation of lead contamination that exceeds a certain threshold. This project supports the wider implementation of AB 2370 (2018) by the California Department of Social Services.	Yes	Implemented on 4/23/2020	Kira Smith, Kira.Smith@waterboards.ca.gov	Brian Currier California State University, Sacramento Office of Water Programs 6000 J Street Sacramento, CA 95819-6025 (916) 278-8109 brian.currier@owp.csus.edu	D1918001
Projects that Service Disadvantaged Communities													
Technical Assistance to Implement the Backup Generator Program for Drinking Water Systems	Backup Generator Funding Program	Disadvantaged Communities	Alameda, Alpine, Amador, Butte, Calaveras, Colusa, Contra Costa, Del Norte, El Dorado, Glenn, Humboldt, Lake, Lassen, Marin, Mendocino, Modoc, Monterey, Napa, Nevada, Placer, Plumas, Sacramento, San Benito, San Francisco, San Joaquin, San Mateo, Santa Clara, Santa Cruz, Shasta, Sierra, Siskiyou, Solano, Sonoma, Stanislaus, Sutter, Tehama, Trinity, Yolo, Yuba	Rural Community Assistance Corporation	Safe and Affordable Drinking Water Fund (SADW Fund)	\$ 3,001,727.00	\$ 2,930,033.00	RCAC will receive funding to implement the Backup Generator Funding Program to provide backup generators to water systems serving small disadvantaged communities. RCAC will work on program development, conduct outreach to eligible systems, assist eligible systems through the application process, contract with engineering firms to complete planning and installation of backup generators, ensure system is prepared to operate the generator for the full useful life, and follow up by submitting a TA request for a TMF assessment of each system that has received a generator.	Yes	Implemented on 11/10/2021; Amendment for time extension and budget increase pending.	Emma Blankenship, Emma.Blankenship@waterboards.ca.gov	Ari Neumann Director, West Sacramento aneumann@rcac.org (916) 447-9832 x 1032 3120 Freeboard Drive, Suite 201 West Sacramento, CA 95691	D2018146
Technical Assistance to Implement the Backup Generator Program for Drinking Water Systems	Backup Generator Funding Program	Disadvantaged Communities	Fresno, Imperial, Inyo, Kern, Kings, Los Angeles, Madera, Mariposa, Merced, Mono, Orange, Riverside, San Bernardino, San Diego, San Luis Obispo, Santa Barbara, Tulare, Tuolumne, Ventura	California Rural Water Association (CRWA)	Safe and Affordable Drinking Water Fund (SADW Fund)	\$ 3,000,000.00	\$ 2,929,316.00	CRWA will receive funding to implement the Backup Generator Funding Program to provide backup generators to water systems serving small disadvantaged communities. CRWA will conduct outreach to eligible systems, assist eligible systems through the application process, complete planning and installation of backup generators, ensure system is prepared to operate the generator for the full useful life, and follow up by submitting a TA request for a TMF assessment of each system that has received a generator.	Yes	Implemented on 11/10/2021	Michaela Ellis, michaela.ellis@waterboards.ca.gov	Dustin Hardwick Deputy Director California Rural Water Association P (916) 553-4900 ext. 108 dhardwick@calruralwater.org	D2018147
Technical Assistance to Implement the Safe and Affordable Drinking Water Fund	Technical Assistance	Disadvantaged Communities	Fresno, Kern, Kings, Madera, Mariposa, Merced, San Joaquin, Stanislaus, and Tulare Counties	Self-Help Enterprises (SHE)	Safe and Affordable Drinking Water Fund (SADW Fund) / General Fund	\$ 40,633,488.00	\$ 32,610,351.73	This funding is to support the Human Right to Water and to provide technical assistance to small disadvantaged communities to develop, fund, and implement their capital improvement projects. Services under this agreement including (1) Revolving Bridge loans for Interim Construction Financing, (2) Emergency funding for emergencies experienced by a water system serving a small, disadvantaged community, (3) Full project planning through technical assistance - Acceleration of the implementation of critical drinking water solution Planning projects, (4) Application and funding administration support, and (5) Technical, Managerial, and Financial capacity support.	Yes	Implemented on 3/15/2021, amended on 3/9/2022, amended on 3/7/2023	Himali Rodrigo, Himali.Rodrigo@waterboards.ca.gov	Jessi Snyder Self-Help Enterprises 559-802-1693 jessis@selfhelpenterprises.org	D1917012
Technical Assistance to Implement the Safe and Affordable Drinking Water Fund	Technical Assistance	Disadvantaged Communities	Fresno, Kern, Kings, Madera, Mariposa, Merced, San Joaquin, Stanislaus, and Tulare Counties	Self-Help Enterprises (SHE)	Prop 1 / Safe and Affordable Drinking Water Fund (SADW Fund)	\$ 14,871,602.00	\$ 3,841,935.13	Self-Help Enterprises (SHE) is undertaking a comprehensive Technical Assistance program housed in SHE's Community Development program. SHE's Community Development staff will utilize Prop 1 funding to significantly expand support to small, rural disadvantaged communities in San Joaquin Valley counties that need assistance with developing, funding, and implementing drinking water and wastewater projects.	Yes	Implemented on 3/25/2016, amended on 3/9/2020, amended on 3/9/2022	Kyle Harper, Kyle.Harper@waterboards.ca.gov	Jessi Snyder Self-Help Enterprises 559-802-1693 jessis@selfhelpenterprises.org	D1612802
Community Driven Water Solutions in the San Joaquin Valley and Central Coast	Technical Assistance	Disadvantaged Communities	Santa Clara, San Mateo, Santa Cruz, San Benito, Monterey, Kern, San Luis Obispo, Santa Barbara, Ventura, San Joaquin, Kings, Stanislaus, Merced, Fresno, Madera, and Tulare Counties.	Community Water Center (CWC)	Safe and Affordable Drinking Water Fund (SADW Fund)	\$ 4,232,158.00	\$ 4,162,452.13	This funding is to provide technical assistance to develop, fund, and implement capital improvement projects and community engagement in small disadvantaged communities. Services under this agreement including (1) full project planning through technical assistance - acceleration of the implementation of critical drinking water solution planning projects, (2) application and funding administration support, (3) community outreach and engagement, (4) coordination of well testing and domestic well sampling.	Yes	Implemented on 11/10/2021	Artena Kubik, Artena.Kubik@waterboards.ca.gov	Susana De Anda Community Water Center 559-733-0219 susana.deanda@communitywatercenter.org	D1917006

Feasibility Analyses and Technical Evaluations Project	Technical Assistance	Disadvantaged Communities	Statewide	California Rural Water Association (CRWA)	Safe and Affordable Drinking Water Fund (SADW Fund)	\$ 6,352,398.00	\$ 4,741,004.00	This funding is to provide technical assistance to perform feasibility analyses and technical evaluations related to consolidation, source/storage capacity, distribution, and treatment to small disadvantaged communities statewide. The Project also provides emergency operational support for water systems.	Yes	Implemented on 9/25/2020; amended on 7/15/2021	Michaela Ellis, Michaela.Ellis@waterboards.ca.gov	Dustin Hardwick Deputy Director California Rural Water Association Ph. (916) 553-4900 ext. 108 dhardwick@calruralwater.org	D1917005
Safe and Affordable Funding for Equity and Resilience (SAFER) Drinking Water Program Technical Assistance	Technical Assistance	Disadvantaged Communities	Statewide	University Enterprises	Safe and Affordable Drinking Water Fund (SADW Fund)	\$ 25,000,000.00	\$ 21,191,440.00	This funding is to provide technical assistance to small disadvantaged communities to develop, fund, and implement capital improvement projects, secure sustainable water supply, treatment, storage, and distribution systems; and improve the systems' technical, managerial, and financial management.	Yes	Implemented on 4/14/2021; amended on 02/28/2022; amended on 01/17/2023	Jason Headington, Jason.Headington@waterboards.ca.gov	Randy Marx Office of Water Programs, CSUS 6000 J Street Sacramento, CA 95819 916-278-5295 randy.marx@owp.csus.edu	D1917008
Technical Assistance to Implement the Safe and Affordable Drinking Water Fund	Technical Assistance	Disadvantaged Communities	Statewide	Rural Community Assistance Corporation	Safe and Affordable Drinking Water Fund (SADW Fund)	\$ 36,820,721.00	\$ 33,875,249.00	This funding is for the establishment of a Circuit Rider program to build technical, managerial, and financial capacity for underperforming water systems serving disadvantaged communities. Funding for this project also includes dedicated support for regionalization and consolidation projects and planning support that helps systems submit construction applications for needed improvement.	Yes	Implemented on 10/22/2020; amended on 7/21/2021; amended on 1/3/2023	Emma Blankenship, Emma.Blankenship@Waterboards.ca.gov	Ari Neumann Director, West Sacramento 3120 Freeboard Drive, Suite 201 West Sacramento, CA 95691 (916) 447-9832 x 1032 aneumann@cac.org	D1917007
Statewide Leak Detection Technical Assistance Program	Technical Assistance	Disadvantaged Communities	Statewide	California Rural Water Association (CRWA)	PROP 1	\$ 2,838,300.00	\$ 300,597.77	This funding is to provide leak detection technical assistance to water systems serving small disadvantaged communities (DACs). The program also includes conducting leak detection workshops.	Yes	Closed out	Michaela Ellis, Michaela.Ellis@waterboards.ca.gov	Dustin Hardwick Deputy Director California Rural Water Association P (916) 553-4900 ext. 108 dhardwick@calruralwater.org	D1612804
Rural Infrastructure Program	Technical Assistance	Disadvantaged Communities	Eastern Coachella Valley	Pueblo Unido CDC	Prop 1	\$ 2,292,465.00	\$ 472,943.00	This funding is to provide technical assistance to small disadvantaged communities (DACs). The technical assistance will assist communities in the Eastern Coachella Valley with planning and engineering for drinking water and wastewater consolidation Projects.	Yes	Implemented on 11/1/2016; amended on 7/23/2019, 04/06/2021, and 02/28/2023	Jason Headington, Jason.Headington@waterboards.ca.gov	Sergio Carranza Executive Director Pueblo Unido CDC P (760) 777-7550 ext. 102 scarranza@puccdc.org	D1612811
Comprehensive Assistance to Tribal and Small Systems Project	Technical Assistance	Disadvantaged Communities	Statewide	Rural Community Assistance Corporation	Prop 1	\$ 6,186,878.00	\$ 1,783,115.00	This funding is to provide technical assistance to small disadvantaged communities (DACs). This technical assistance helps these communities develop, fund, and implement eligible water and wastewater projects by providing capacity-building activities, assisting systems with project planning and management, and providing legal assistance.	Yes	Implemented on 8/16/2016; amended on 6/24/2019; amended on 3/14/2020; amended on 1/18/2022	Emma Blankenship, Emma.Blankenship@Waterboards.ca.gov	Ari Neumann Director, West Sacramento aneumann@cac.org (916) 447-9832 x 1032 3120 Freeboard Drive, Suite 201 West Sacramento, CA 95691	D1612801
Outreach, Engagement and Legal Assistance in the San Joaquin and Coachella Valleys	Technical Assistance	Disadvantaged Communities	San Joaquin and Coachella Valleys	Leadership Counsel for Justice and Accountability	Prop 1	\$ 817,328.00	\$ 527,013.08	This funding is to provide technical assistance to small disadvantaged communities (DACs) in the San Joaquin and Coachella Valleys. This technical assistance helps these communities with legal assistance and community outreach and education to assess and develop long term and regional drinking water and wastewater solutions.	Yes	Implemented on 12/15/2016; amended on 11/23/2019 and 9/4/2020; amendment pending for time extension only	Gary Chan Gary.Chan@waterboards.ca.gov	Kaylon Hammond CFO, Director of Operations khammond@leadershipcounsel.org (559)365-5842 2210 San Joaquin St Fresno, CA 93721	D1612812
Aoki Water Clinic	Technical Assistance	Disadvantaged Communities	Statewide	UC Davis	Prop 1	\$ 1,817,679.00	\$ -	UC Davis School of Law provides direct legal assistance through Aoki Water Justice Clinic to small disadvantaged communities in the Central Valley and beyond, who lack reliable and affordable access to safe drinking water. This clinic focuses on education, strategies for eliminating water inequity, community trainings, and offers partnerships with clients to draft agreements, navigate funding, and other direct assistance.	Yes	Completed on 12/31/2022.	Aparjeet Rangil Aparjeet.Rangil@waterboards.ca.gov	Robert Mullaney rdmullaney@ucdavis.edu 530-752-3062	D1612808
Drinking Water and Wastewater Technical Assistance	Technical Assistance	Disadvantaged Communities	Statewide	University Enterprises	Prop 1/General Fund	\$ 14,057,304.00	\$ 4,669,854.11	The goal of the project is to ensure small, disadvantaged communities (DACs) have sustainable water supply, treatment, storage and distribution systems; and wastewater collection, treatment and disposal systems that meet state and federal standards. Long-term goals of the program include establishing asset management, operator training and certification, and an appropriate rate structure.	Yes	Implemented on 10/26/16; amended on 9/12/2022	Aparjeet Rangil Aparjeet.Rangil@waterboards.ca.gov	Randy Marx Office of Water Programs, CSUS 6000 J Street Sacramento, CA 95819 916-278-5295 randy.marx@owp.csus.edu	D1612806
