NPDES FEES STRUCTURE  
Deadline: 6/29/11 by 12:00 noon

Comment Letter–07.06.11 Board Workshop-NPDES Fee Structure due  
6.29.2011 Noon

In the analysis, municipal makes up 41% and industrial without SEPP 29.7%.

What are the violations occurring in these sectors and what corrections are made.

Do the fees, including caps, encumber testing, monitoring and enforcement; or is  
the Board relying on penalties.
