## State Water Resources Control Board

### PUBLIC NOTICE

#### GeoTracker Electronic Submittal of Information Compliance Webinar for California Water Boards Site Cleanup Program Regulated Community

State Water Resources Control Board GeoTracker and Site Cleanup Programs will host live online sessions for interested parties to learn about the electronic submittal of information (ESI) requirements, submittal types and the process for uploading information into the State Water Resources Control Board's online data management system, GeoTracker. Information is uploaded through the GeoTracker ESI Portal (<https://geotracker.waterboards.ca.gov/esi/>). In addition, the webinar will provide a live demonstration of utilizing tools and features in the ESI Portal and viewing the uploaded information on the public GeoTracker webpage.
