

**STATE WATER RESOURCES CONTROL BOARD
EX PARTE COMMUNICATIONS REGARDING PENDING GENERAL ORDERS
DISCLOSURE FORM**

Note: This form is intended to assist the public in providing the disclosure required by law. It is designed to document meetings and phone calls. Written communications may be disclosed by providing a complete copy of the written document, with attachments. Unless the board member(s) provided you with a different contact person, please send your materials to: commentletters@waterboards.ca.gov. Use of this form is not mandatory.

1. Pending General Order that the communication concerned:

Construction General Permit

2. Name, title and contact information of person completing this form. Note: Contact information is not mandatory, but will allow the Water Board to assist you if additional information is required. If your contact information includes your personal residence address, personal telephone number or personal email address, please use a separate sheet of paper if you do not want that information posted on our website. However, this information may be provided to members of the public under the Public Records Act.

Cody Phillips, Policy Analyst, Cody@Cacoastkeeper.org

3. Date of meeting, phone call or other communication: June 13, 2022
Time: 2:00 – 3:00pm
Location: Zoom

4. Type of communication (written, oral, or both): Oral

5. Names of all participants in the communication, including all board members who participated:

Sean Bothwell, Executive Director of California Coastkeeper Alliance
Cody Phillips, Policy Analyst at California Coastkeeper Alliance
Sean Maguire, Board Member for the State Water Resources control Board

6. Name of person(s) who initiated the communication: Cody Phillips

7. Describe the communication and the content of the communication. Include a brief list or summary of topics discussed at the meeting, any legal or policy positions advocated at the meeting, any factual matters discussed, and any other disclosure you believe relevant. The Office of Chief Counsel recommends that any persons requesting an ex parte meeting prepare an agenda to make it easier to document the discussion properly. Attach additional pages, if necessary.

We discussed four issues within the Construction General Stormwater Permit including nutrient-based pollutant numeric action levels, use of total suspended solids, the regulatory transition period, and what constitutes a violation of a TMDL related NEL.

8. Attach a copy of handouts, PowerPoint presentations and other materials any person used or distributed at the meeting. If you have electronic copies, please email them to facilitate web posting.
