SUBJECT: Comments on the Draft Industrial General Permit (2004 Draft Permit)

Dear Ms. Irvin:

Thank you for the opportunity to provide comments regarding the renewal of the current General Permit for Storm Water Discharges Associated with Industrial Activities.

The City of Long Beach supports the efforts and attention the State Water Resources Control Board and the Los Angeles Regional Water Quality Control Board have given to providing for an open dialogue and working with the stakeholders to address the issues and concerns of both sides. It is our hope that a mutually agreeable and uniform solution is reached. The City would like to express its willingness to work toward this solution.

We look forward to working together with the State Water Resources Control Board, the Los Angeles Regional Water Quality Control Board, and all stakeholders.

Sincerely

Thomas F. Leary
