NOTICE IS HEREBY GIVEN THAT the State Water Resources Control Board (State Water Board) staff will hold two informal public workshops to provide an opportunity for public discussion and feedback on a proposed statewide Water Quality Control Policy (Policy) for urban stormwater infiltration. Both workshops will cover the same information provided by staff.

WORKSHOP OVERVIEW

State Water Board staff will present an overview of the proposed scope of the project and preliminary requirements considered at this time. The informal workshops will include opportunities for the public and interested parties to discuss and provide feedback on the information presented. A quorum of the State Water Board may be present, but a decision will not be made and no action will be taken. More background information can be found in the [Urban Stormwater Infiltration Policy Factsheet](#).

SUBMISSION OF WRITTEN COMMENTS

Interested persons are encouraged to submit their comments on the proposed Policy electronically. Comment letters can be submitted by email to STORMS@waterboards.ca.gov (if less than 15 megabytes in total size) with the subject **“Comment Letter – Infiltration Scoping.”** To be fully considered, written comments must be received by **12:00 noon on February 24, 2025**. Written comments may also be mailed to the addresses below:
