SUBJECT: REVISION TO FEDERAL CLEAN WATER ACT SECTION 303(d) LIST OF WATER QUALITY LIMITED SEGMENTS FOR CALIFORNIA COMMENTS BY THE CITY OF CHULA VISTA

Thank you for the opportunity to review and provide comment on the draft 2006 Section 303(d) list and the proposed revisions to the associated list of Total Maximum Daily Load (TMDL) water bodies. The City of Chula Vista provides the following comment:

In Table 7, Deletions from the Section 303(d) List, San Diego Bay Shoreline, Chula Vista Marina for Bacteria Indicators has been proposed to be deleted from the 303(d) list, however, in Table 9, Schedules for Completion of Total Maximum Daily Loads, San Diego Bay Shoreline, Chula Vista Marina for Bacteria Indicators has been retained. It is appropriate that once a water body is deleted from the 303(d) list, the associated TMDL program be also deleted. The City of Chula Vista requests that the San Diego Bay Shoreline, Chula Vista Marina for Bacteria Indicators be deleted from Table 9.

Should you have any questions or if you need further information, please call Khosro Aminpour, Senior Civil Engineer, at (619) 397-6111. Thank you.

KIRK AMMERMAN
PRINCIPAL CIVIL ENGINEER
