

# Underground Storage Tank Cleanup Fund Program

## Claim Applications

Access to The Underground Storage Tank Cleanup Fund Program (USTCF Program) requires completion of a Fund Application. Upon receipt of a Fund Application, a claim number is assigned. The Fund Application requests information necessary to determine program eligibility. To file an application with the USTCF Program, the claimant must be a current or past owner or operator of the UST from which an unauthorized release of petroleum has occurred and be required to undertake corrective action as directed by the regulatory agency.

### Figures and Statistics
