 - Existing NSJWCD South System Pipeline
 - Existing EBMUD Mokelumne Aqueduct
 - Proposed Additional Place Of Use

Certificate
 I, Darren B. Cordova, 455 University Avenue, Suite 100, Sacramento, California, hereby certify that this map was prepared under my supervision on January 11, 2018, from information which I believe to be accurate; and that it correctly represents the proposed additional place of use and point of rediversion described in the accompanying petition for temporary transfer and shows the location of waterways in the immediate vicinity.
