Comments:

Deliveries to CVP contractors may include a variety of water supplies, including water available under CVP contracts, water available through transfers, etc. SWP deliveries include all water delivered under the provisions of the SWP water supply contracts including Table A, Article 21, and purchase water.

Sources of Data:

2000-2009 delivery data for CVP South of Delta contractors was obtained from the United States Bureau of Reclamation Central Valley Operations Office Website (<http://www.usbr.gov/mp/cvo/deliv.html>).

SWP deliveries obtained from DWR Bulletin 132-08 Appendix B and State Water Project Analysis Office water files
