**Subject:** RE: Request to postpone 12/7/16 public workshop  
**Attachments:** DWR -- 11-30-16 Ltr to Mr. David Guy, et al. re Response to 11-16-16 let....pdf

Ms. Chriss,

Please see the attached response to a request from David Guy et al. to postpone the workshop and extend the comment period for the Phase II Bay-Delta Plan Review Working Draft Scientific Basis Report that is also responsive to CCWD's letter of November 29, 2016, on this matter. Please let me know if you have questions.

Regards,

Diane Riddle  
Environmental Program Manager  
Hearings and Special Programs Section  
Division of Water Rights  
State Water Resources Control Board  
Office: 916-341-5297
