Re: Glenn-Colusa Irrigation District's Submittal of Cross-Examination Exhibit for  
California WaterFix Petition for Change Hearing

Dear Hearing Chair Doduc, Hearing Officer Marcus, and California WaterFix Hearing Staff:

Protestant Glenn-Colusa Irrigation District (GCID) resubmitted Exhibit GCID-23 and its Exhibit Identification Index (EII) via electronic mail on April 26, 2018 (copy attached) for Part 2 of the hearing on the Department of Water Resources (DWR) and the United States Bureau of Reclamation's water rights change petition for the California WaterFix Project. Exhibit GCID-23 was used on March 2, 2018 to cross-examine DWR's witness Dr. Marin Greenwood. Please note that Exhibit GCID-23 and the EII were previously submitted and served on March 5, 2018. At the conclusion of Part 2 of the hearings on April 25, 2018, Hearing Chair Tam Doduc directed the parties to submit exhibits to be moved into evidence no later than noon on Friday, April 27, 2018. Exhibit GCID-23 and the EII were submitted today to ensure compliance with Hearing Chair Doduc's instructions, and to formally move the exhibit into evidence. There have been no changes to Exhibit GCID-23 nor the EII since originally submitted on March 5, 2018.

Sincerely,

Andrew M. Hitchings
