Subject: cwf hearing: request for record of proceedings
Date: Saturday, November 24, 2018 9:03:50 AM

Dear Hearing Team,

It is my understanding that the CWF team recently provided DWR with a copy of all documents introduced in the CWF hearings in hard drive or other media format , for DWR's use in related proceedings before the Delta Stewardship Council.

Delta Alliance would like to request a similar accommodation. We would like to have all of the CWF documents on hard drive for ease of use and searchability in service of our various responsibilities touching on this administrative record.

Delta Alliance will provide a hard drive or other suitable media and can provide a technical person to assist with data transfer or pay reasonable SWRCB staff costs associated with providing us with this data, as appropriate.

Thank you for considering this request, and please let us know the next step at your earliest convenience.

This is the first of two emails due to server limitation.

Best regards,
Michael
