Re: State Water Resources Control Board Hearing on Petition Requesting Changes in Water Rights of the Department of Water Resources and U.S. Bureau of Reclamation for the California Water Fix Project (“Hearing”)

Dear Mr. Mizell and Ms. Aufdemberge:

The Sacramento County Water Agency (“SCWA”) has filed a protest in the above-referenced Hearing. The purpose of this letter is to request that you, as counsel to the California Department of Water Resources and the U.S. Bureau of Reclamation (collectively, “Petitioners”), work with Petitioners to produce hydrologic modeling on which Petitioners have relied in preparation of their testimony submitted to the State Water Resources Control Board on May 31, 2016 for the Hearing, and in preparation of the California Water Fix Draft EIR/EIS (“EIR/EIS”), and recirculated draft EIR/supplemental draft EIS (“RDEIR/SDEIS”).

On behalf of SCWA, I respectfully request that the Petitioners produce to me, by August 15, 2016, the following analytical tools and information:

- (1) All versions of the CVHM-D Modflow model the Petitioners used in preparation of the EIR/EIS, including all input and output files, and any GIS or shapefiles;

Thank you for your prompt attention to this request.
