Subject: Request for Information -- Water for Fish --- Followup from our Telephone Conversations

Hi Patrick,

I work for Roger and he's asked me to help him respond to your list of questions on (b)(2) and the EWA. We've answered the questions we could, but in some instances refer you to other people or web sources. Please see our attached response as well as the May 2003 Decision and December 2003 Guidance Memo. I'll send a separate email with the 2007 USFWS report on EWA activities (due to the size of the file). Please let us know if you have further questions -
