

**THOMAS R. GROVHOUG –
Statement of Qualifications for Written Testimony-Exhibit 3**

**President
Larry Walker Associates**

707 4th Street
Davis, CA 95616-4178
(530) 753-6401

EDUCATION:

Master of Science, Civil Engineering, 1975, University of California, Davis
Bachelor of Science, Civil Engineering, 1973, University of California, Davis

PROFESSIONAL REGISTRATION:

Civil Engineering, State of California, No. 27901

PROFESSIONAL EXPERIENCE:

Mr. Grovhoug has 35 years of professional experience in the field of water quality management and wastewater engineering working for public agencies in California. His experience includes NPDES permit analysis and negotiation; planning and design of water and wastewater facilities; watershed management program development and implementation; water quality and environmental impact studies; site-specific water quality objective studies; regional ambient water quality monitoring program development and implementation; and policy analysis for statewide and regional water quality control plans.

Mr. Grovhoug has significant experience dealing with Clean Water Act and California Water Code regulatory issues in California, with extensive experience in the Sacramento-San Joaquin Delta and San Francisco Bay dealing with NPDES permitting, Basin Planning, Bay-Delta Plan, Bay Delta Conservation Plan, Sediment Quality Objectives, California Toxics Rule, State Implementation Plan, 303(d) listings, TMDLs and water quality standards.

He has led major water quality studies in San Francisco Bay, the Sacramento River watershed, and the Sacramento-San Joaquin Delta, including water quality studies for the Sacramento River Watershed Program, Sacramento Regional County Sanitation District, the City of Tracy, the City of Lathrop, the City of San Jose, Bay Area Clean Water Agencies, Central Contra Costa Sanitary District, and Delta Diablo Sanitation District.

Mr. Grovhoug has presented technical papers on a variety of water quality management topics at professional conferences at the state and regional level.

PROFESSIONAL AFFILIATIONS:

Member, Water Environment Federation

Member, California Water Environment Association

Associate Member, California Association of Sanitation Agencies

Member, Sediment Quality Objectives Advisory Committee
