Re: BlueTriton Brands, Inc.'s Reply to SWRCB November 27, 2023 Letter

Dear Mr. Cervantes:

On behalf of BlueTriton Brands, Inc. (BTB), this letter responds to your letter dated November 27, 2023 regarding BTB's reporting and compliance with State Water Resources Control Board (SWRCB) Order WR 2023-0042 (Order), adopted on September 19, 2023 and effective on November 1, 2023. Your letter asks whether BTB submitted a monthly report on or before November 15, 2023, referencing your October 6th, 2023 letter. The answer is yes: BTB submitted a letter and other responsive information on October 27, 2023, which provided our operations and reporting plans and the detailed template information requested in your October 6th letter and Condition 1.b. of the Order. Our October 27th letter did not provide operational data, as the Order had not yet gone into effect. Since November 1, 2023, BTB has been operating as outlined in our October 27th letter.

As we explained in the October 27th letter, and consistent with the Order and your October 6th letter, BTB intends to provide operational and accounting data for the month of November 2023 on December 15, 2023, including information about deliveries to the San Manuel Band of Mission Indians for riparian uses and BTB's other collections and uses, as specified in Condition 1.b of the Order. Our October 27th letter requested that you contact me if you had any questions about our operations and reporting plans, so we were unaware that you were anticipating any additional information from us before December 15, 2023.

Please feel free to contact me if you have any questions.

Respectfully submitted,

ELLISON SCHNEIDER HARRIS & DONLAN, LLP
