White Lake Mutual Water Company

Statement: S017183

By properly executing and returning this Acceptance of Settlement Offer and Waiver of Right to Hearing and Reconsideration ("Acceptance and Waiver") to the State Water Resources Control Board ("State Water Board"), White Lake Mutual Water Company ("Respondent") hereby accepts the Division of Water Rights' conditional Settlement Offer and waives their right to contest the violations alleged in the Administrative Civil Liability ("ACL") Complaint at a hearing before the State Water Board, Administrative Hearings Office. Respondent also waives their right to request reconsideration of an order by the State Water Board resolving the violations alleged in the ACL Complaint.

Settlement Offer:

The Division of Water Rights Prosecution Team makes the following offer to settle this matter without the need for a formal hearing. The terms of the settlement are as follows:

- File the delinquent Supplemental Statement of Water Diversion and Use (supplemental statement) within 20 days of receiving the ACL Complaint, and
- Pay the settlement amount of \$800 within 30 days of receiving the State Water Board's Order Approving the Settlement Agreement.

To accept the Settlement Offer, Respondent must complete all of the following items:
