DIVISION OF WATER RIGHTS INVESTIGATION OF BUTTE COUNTY ASSESSOR PARCEL NUMBER (APN) 058-700-021-000

David Maestas,

On July 15, 2025, staff from the State Water Resources Control Board (State Water Board), Division of Water Rights (Division), in coordination with state and local partner agencies conducted a search warrant investigation of your property referenced above (Property). The purpose of the investigation was to observe the diversion and use of water occurring on the Property and to evaluate potential impacts to the watershed. At the time of investigation, Division staff could not identify your source of water for cannabis cultivation, but you are still required to comply with the Cannabis Cultivation Policy (Cannabis Policy) terms and conditions as identified below. You must take immediate action to come into compliance or risk civil liability.

Cannabis Policy Violations and Corrective Actions

WC Section 13149: Violations of a Principle, Guideline, or Requirement established in the State Water Board's Cannabis Policy, Attachment A., pursuant to WC section 13149:

WC section 1847, subdivision (a), provides that any person or entity committing a violation of the above referenced requirement may be liable in an amount not to exceed the sum of five hundred dollars (\$500), plus two hundred fifty dollars (\$250) for each additional day on which the violation continues if the person fails to correct the violation within 30 days after the board has called the violation to the attention of that person, plus two thousand five hundred dollars (\$2,500) for each acre-foot of water diverted or used in violation of the applicable requirement.

This letter constitutes your notice of the above-mentioned WC and Policy requirements and violations identified below. Your response to the allegations listed in this notice is required and should be submitted in a timely manner. The State Water Board has discretion when considering an enforcement action and shall consider your corrective actions taken in response to this notice in determining whether and what civil liability is appropriate for violations. Therefore, this matter requires your immediate attention.

The failure to measure water use for cannabis irrigation and make cannabis irrigation records available constitutes one violations of Term 98 of Section 2 the Cannabis Policy.

Corrective Action:

As of the date of this inspection report, this alleged violation continues to be ongoing. You should within 30 days from the date of this report take either corrective actions 1 or 2 to comply with the Cannabis Policy's cannabis irrigation record requirements for POU1 to quantify all water use on the Property:

- 1) You must send the Division all records required to support that you are in compliance with Term 98, OR
