**Resume of Henrietta Stern
MPWMD Project Manager**

HENRIETTA L. STERN

Monterey Peninsula Water Management District
5 Harris Court, Bldg. G; P.O. Box 85
Monterey, CA 93940
831/658-5621 (direct line)
henri@mpwmd.dst.ca.us

EDUCATION:

B.S. Zoology; U.C. Davis, 1976. Focus on aquatic invertebrates and fish.
M.S. Aquatic Ecology; U.C. Davis, 1979. Research on physiology and nutrition of aquatic invertebrates and fish; recycling ecosystems. Certificate in Habitat Evaluation Procedure (HEP); U.S. Fish and Wildlife Service course, 1988. Certificate in Project Management; U.C. Santa Cruz Extension, 1990. Numerous courses in CEQA, NEPA, Endangered Species Act and related professional development.

EXPERIENCE:

PROJECT MANAGER/PUBLIC INFORMATION REPRESENTATIVE (formerly Senior Project Planner/Coordinator); Monterey Peninsula Water Management District, 1986 to the present. Position is responsible for District CEQA and NEPA compliance as lead agency for water supply projects, or as a responsible agency (CEQA). Position also manages District Water Distribution System (WDS) permit program for wells or other facilities. Major projects have been EIR/EIS preparation and state and federal permits for a new reservoir on the Carmel River as well as an aquifer storage and recovery project. Tasks include assessment of water supply alternatives; coordination with many governmental agencies, consultants and technical staff. Position is very knowledgeable of federal, state, and local laws that affect water supply projects. Position analyzes water supply and demand data, writes technical reports and reviews work of others. Position is also responsible for public information, media relations, answering questions and other related activities.

RECLAMATION SPECIALIST; Monterey Peninsula Water Management District, 1985.

Position was responsible for preparing an EIR on a wastewater reclamation project using aquaculture and conventional technology; helped implement District's water connection permit program.

ASSOCIATE EDITOR, CTB-McGraw Hill, 1984.

Position wrote and edited questions for National Nursing Exam; performed data-base management on test questions and results.

INFORMATION SPECIALIST, West Coast Aquaculture Foundation, 1982-1983.

Position conducted field surveys and wrote comprehensive report for the U.S. Department of Agriculture on the status of aquaculture in four west coast states, Guam and Saipan. Provided information to the media and public; taught adult-ed courses on aquaculture.

OTHER: Volunteer Guide, Monterey Bay Aquarium, 1984.

Leadership Monterey Peninsula, 1991; coordinated "Environment Day" in 1992.

Volunteer, Big Sur International Marathon (coordinated with American Red Cross).

Volunteer trail work for California State Parks; hike leader for Big Sur Land Trust.

Acting Secretary for Monterey Off-Road Cycling Association; volunteer trail work.
