Subject: Cease and Desist Order

To whom it may concern:

Please, we in the hospitality business here on the Monterey Peninsula, beg of you to NOT adopt the CDO !

We are struggling beyond belief to keep our employees working during these difficult times. If SWRCB adopts the CDO, the only option here is to close rooms, eliminate food service seats, which, of course, would cause us to lay off our employees. Businesses like mine, which assist tourists and conventioners with accommodations, would have to close our doors. We have helped thousands with hotel rooms over the past 24 years.

Travel and Tourism is dangerously low this year - we ask, beg, and plead to NOT adopt CDO !

Thank you.
