To Whom It May Concern,

As a Hotel General Manager in the Monterey area, I implore you to Not adopt the cease and desist order (CDO) on the basis that it will be potentially devastating to the hospitality industry as a whole and also adversely impact the long term receipt of Transient Occupancy Tax (TOT) which goes to the local government. In short, it will adversely impact the local economy and destroy job creation in the Monterey hospitality industry as a whole. Thank you for your attention to this serious matter.

Sincerely, John C. Turner
