Subject: COMMENT LETTER - 10/20/09 BOARD MEETING CAL-AM CDO

As a small business owner on the Monterey Peninsula, as well a resident, I am deeply concerned that if adopted, the CDO will devastate our local economy. We have bent over backwards to conserve water, and it finally appears that we are on the road at long last to getting additional water supplies, not for lack of trying. My employees and I urge you to reject the CDO, we are in the midst of the worst economy since the Great Depression, the last thing we need is another body blow such as this.
