Subject: RE: COMMENT LETTER - 4/2/19 BOARD MEETING: FAHEY CDO & ACL HEARING
Date: Monday, April 1, 2019 9:01:14 AM

Dear Hearing Officers,

On behalf of G. Scott Fahey and Sugar Pine Spring Water, LP, we urge the Board to immediately continue the hearing that is set for April 2. The matters described in the email from Saturday, March 30, involve significant facts and require careful written briefing by the parties. Oral argument alone is clearly insufficient. To avoid yet another procedural due process violation in this matter, reasonable notice and opportunity to be heard on these substantial and last-minute issues is required.

Thank you for your prompt attention to this matter.

Subject: Re: COMMENT LETTER - 4/2/19 BOARD MEETING: FAHEY CDO & ACL HEARING

Ladies and Gentlemen,

On April 2, 2019, the State Water Board will consider adoption of a proposed order issuing a Cease and Desist Order and imposing Administrative Civil Liability against G. Scott Fahey and Sugar Pine Spring Water, LP, as previously scheduled. The Board requests that parties prepare to discuss the following in their oral comments:

1. Replacement water credits and other issues raised in the March 29, 2019 letter and redline strikeout submitted by Modesto Irrigation District, Turlock Irrigation District, and the City and County of San Francisco;
2. Any refinements to the March 28, 2019 revised draft order that may be sufficient to address those issues.

The Board will consider oral comments and determine an appropriate course of action.

Sincerely,
Lily Weaver
