Subject: OAL Designee for Measurement Regs.

Hi Tom and Kathy,

Pursuant to paragraph 3 of Resolution No. 2016-0005, the Executive Director and the Deputy Director of the Division of Water Rights may make minor changes to the measurement regulations for clarity and consistency during the OAL process. The resolution specifically provides, in relevant part, as follows:

If, during the approval process, State Water Board staff, the State Water Board, or OAL determines that minor corrections to the language of the regulation or supporting documentation are needed for clarity or consistency, the State Water Board Executive Director, the Deputy Director for the Division of Water Rights or their designees may make such changes;

May I be your designee?

Best,

Nathan Weaver
